- d) Teams must have at least two goalkeeper attires which clearly contrast with each other and with the first-choice and second-choice outfield players attires.
- e) The 'home' shirt registered by each Club will be worn for all Home Matches during the Season.
- f) In circumstances where an 'away' Club cannot wear any of its kits (or combination of its kits) without causing a potential kit clash, the Home Club shall be able to wear any combination of its registered kit in order to avoid the potential kit clash (including but not limited to wearing an 'away' or 'third' shirt for a Home Match).

In season;

- g) Both teams will, not less than 72 hours before the scheduled match, submit to The League, Match Referee and their opponents the details of the colours of shirts, shorts and socks of all players via Comet. Failure to do so will result in a sanction of £50 for each offense.
- h) The colour of the Goalkeeper's shirt must, in all cases, be clearly distinguishable from the colours of the shirts worn by the Match Officials and all other Players.
- i) In the event that The League requires either Club (Away or Home) to make amendments to its selection, the Club will, within 24 hours of receiving the notification of the same, resubmit its selection to The League, Match Referee and opponent via Comet.

j) A team may be requested to combine items from more than one of its approved outfield player and/or goalkeeper attires (shirt, shorts or socks), in order to create a visible contrast with the other team. The order of priority for the selection of colours for a match is as follows:

- i. home team outfield player attire;
- ii. away team outfield player attire;
- iii. home team goalkeeper attire;
- iv. away team goalkeeper attire;
- v. referee team attire.

However, if there is a clash for one of the above participants that cannot be resolved (i.e. none of the approved attires offer the required level of colour contrast) then other participants may have to change (in reverse order) until a suitable contrast can be found.

If the referee decides on the spot (matchday) that the two teams' selected colours could lead to confusion, the home team must change playing attire, for practical reasons.

For a final, both teams should wear their first-choice outfield player attire. If this would create a colour clash, the designated away team must wear its second-choice (or other approved alternative) outfield player attire. If that too would create a colour clash, the administration decides on the playing attire to be worn by each team in consultation with the referee.

Disciplinary action in accordance with the Rules may be taken against a Club for any breach of these regulations.
