Furthermore, a club whose goalkeeper is selected for such International Duty, and who have made an appearance in the NIFL Premiership, League Cup, or Irish Cup, shall also be permitted to request a postponement due to the specialist position.
- b) In the event of a club having three or more players, who have made appearance in the NIFL Premiership, League Cup or Irish Cup, selected to represent their National Association representative team(s) in matches not recognised on the FIFA International Calendar or Development and Schools FA squads, they shall be permitted to request a postponement of their scheduled fixture during the period of release in respect of such International Duty. Furthermore, a club whose goalkeeper is selected for such International Duty, and who have made an appearance in the NIFL Premiership, League Cup or Irish Cup, shall also be permitted to request a postponement due to the specialist position.
- c) The NIFL Competition Committee shall consider all such requests and determine whether or not such requests are approved or rejected.

22. Kit Approval

The NIFL Kit Approval Regulations are made pursuant to Irish FA Football Regulations and to the Laws of the Game. Clubs participating in other International competitions, such as UEFA Cup Competitions, must also comply with all relevant regulations.

Pre-season;

- a) Clubs to be required to notify the NIFL Operations Team, of their chosen colours for all new 'home', 'away' and 'third' sets of kit at the planning stage then the League can provide approval before Clubs place any orders for kit with their respective manufacturers
- b) Each set of kit registered must differ visibly from and contrast with each other kit registered by the Club in that Season.
- c) During the Close Season, each Club shall notify The League in writing details of its 'home' and 'away' kit (shirt, shorts and socks) and if applicable any 'third' set of kit. When registering kits, Clubs must ensure that the colour of the shirt, shorts and socks for each kit is different to and would sufficiently contrast against the other kits registered by the Club.
- d) Teams must have at least two goalkeeper attires which clearly contrast with each other and with the first-choice and second-choice outfield players attires.
- e) The 'home' shirt registered by each Club will be worn for all Home Matches during the Season.
- f) In circumstances where an 'away' Club cannot wear any of its kits (or combination of its kits) without causing a potential kit clash, the Home Club shall be able to wear any combination of its registered kit in order to avoid the potential kit clash (including but not limited to wearing an 'away' or 'third' shirt for a Home Match).

In season;

- g) Both teams will, not less than 72 hours before the scheduled match, submit to The League, Match Referee and their opponents the details of the colours of shirts, shorts and socks of all players via Comet. Failure to do so will result in a sanction of £50 for each offense.
- h) The colour of the Goalkeeper's shirt must, in all cases, be clearly distinguishable from the colours of the shirts worn by the Match Officials and all other Players.
- i) In the event that The League requires either Club (Away or Home) to make amendments to its selection, the Club will, within 24 hours of receiving the notification of the same, resubmit its selection to The League, Match Referee and opponent via Comet.
- j) A team may be requested to combine items from more than one of its approved outfield player and/or goalkeeper attires (shirt, shorts or socks), in order to create a visible contrast with the other team. The order of priority for the selection of colours for a match is as follows:
 - i. home team outfield player attire;
 - ii. away team outfield player attire;
 - iii. home team goalkeeper attire;
 - iv. away team goalkeeper attire;
 - v. referee team attire.

However, if there is a clash for one of the above participants that cannot be resolved (i.e. none of the approved attires offer the required level of colour contrast) then other participants may have to change (in reverse order) until a suitable contrast can be found.

If the referee decides on the spot (matchday) that the two teams' selected colours could lead to confusion, the home team must change playing attire, for practical reasons.

For a final, both teams should wear their first-choice outfield player attire. If this would create a colour clash, the designated away team must wear its second-choice (or other approved alternative) outfield player attire. If that too would create a colour clash, the administration decides on the playing attire to be worn by each team in consultation with the referee.

Disciplinary action in accordance with the Rules may be taken against a Club for any breach of these regulations.
